- resolves, in accordance with the provisions of Article L. 22-10-50 of the French Commercial Code, that the fractional rights shall not be negotiable or transferable and that the corresponding securities shall be sold; the sums resulting from the sale will be allocated to the holders of the rights no later than thirty (30) days after the date of registration in their account of the whole number of shares allocated;

SEVENTEENTH RESOLUTION

(Authorization to the Board of Directors, for the purposes of increasing the number of securities issued in accordance with the provisions of Article L. 225-135-1 of the French Commercial Code, up to a maximum of 15% in the event of the implementation of the delegation of authority referred to in the previous resolution, with maintenance of preferential subscription rights)

The Shareholders' Meeting, ruling under the conditions of quorum and majority required for Extraordinary Shareholders' Meetings,

having read the Board of Directors' report and, in accordance with the provisions of Article L. 225-135-1 of the French Commercial Code,

Authorizes the Board of Directors, with the option of subdelegation, to i) increase the number of securities to be issued for the purpose of hedging any over-allocations and stabilizing prices in the context of an issue, with preferential subscription rights, of ordinary shares and/or any other securities giving access immediately or in the future, at any time or at a fixed date, to the share capital of the Company, or of companies which would directly or indirectly own more than half of its share capital or of companies in which it directly or indirectly owns more than half of the share capital, or giving entitlement to debt securities, by subscription either in cash or by offsetting receivables, conversion, exchange, redemption, presentation of a warrant or in any other manner, pursuant to the 16th Resolution and ii) to carry out the corresponding issues at the same price as that used for the initial issue and up to a limit of 15% of the latter, in accordance with the provisions of Article R. 225-118 of the French Commercial Code or any other applicable provision;

Resolves that this authorization, granted to the Board of Directors must be implemented within thirty (30) days of the closing of the subscription of the initial issue concerned; if the Board of Directors has not used it within this period of 30 days, it will be considered void for the issue in question;

Resolves that the nominal amount of the corresponding issues will be deducted from the amount of the applicable overall ceiling provided for in the 16th Resolution;

Notes that, in the event of an issue with preferential subscription rights, the limit provided for in 1° of I of Article L. 225-134 of the French Commercial Code will be increased in the same proportions;

Resolves that this authorization will supersede the previous delegation with the same purpose.

EIGHTEENTH RESOLUTION

(Delegation of authority to be granted to the Board of Directors to decide on the issue of shares and/or securities giving access, immediately or in the future, to the share capital or giving rights to debt securities, with cancellation of preferential subscription rights without naming beneficiaries and by public offering, it being specified that (i) the implementation of this resolution shall reduce, accordingly, the Company's ability to implement other resolutions submitted to the vote at this Meeting and (ii) the implementation of this resolution, representing 10% of the share capital on the date of this Meeting, would prevent the implementation of the 19th and 20th resolutions)

The Shareholders' Meeting, ruling under the conditions of quorum and majority required for Extraordinary Shareholders' Meetings,

having read the Board of Directors' report and the Statutory Auditor's special report, in accordance with the provisions of Articles L. 225-129 et seq. of the French Commercial Code, and in particular Articles L. 225-129-2, L. 225-135, L. 225-136, L. 228-91 et seq. of the said French Commercial Code,

Delegates to the Board of Directors its authority, with the option of subdelegating to the Chief Executive Officer, to proceed, on one or more occasions, in France or abroad, in the proportion and at the times that it deems to be appropriate with the issue, on the French and/or international market, by offering financial securities to the public, with cancellation of preferential subscription rights without naming beneficiaries, in euros or in a foreign currency, or in any other monetary unit established by reference to several currencies, of ordinary shares of the Company and/or any other securities giving access immediately or in the future, at any time or at a fixed date, to the share capital of the Company, or of companies that would directly or indirectly own more than half of its share capital or companies in which it directly or indirectly owns more than half of the share capital, or giving entitlement to a debt security, by subscription either in cash or by offsetting receivables, conversion, exchange, redemption, presentation of a warrant or in any other manner, the securities representing debt may be issued with or without guarantee, under the forms, rates and conditions that the Board of Directors deems appropriate;

it being specified that the issue of preferred shares is strictly excluded from this delegation,

Resolves to set the following limits on the amounts of issues authorized in the event of use by the Board of Directors of this delegation:

- the maximum nominal amount of capital increases that may be carried out immediately and/or in the future under this delegation is set at seven hundred and eighty seven thousand (787,000) euros, increased to one million five hundred and seventy thousand (1,570,000) euros in the event of the institution, for the benefit of the shareholders, on all or part of the issues, of a priority right or its equivalent value in foreign currencies on the date of the issue, it being specified that the total nominal amount of the capital increases carried out or authorized by the Board of Directors on the basis of the 16th to 21st Resolutions of this Shareholders' Meeting will reduce, by the same amount, the maximum nominal amount of capital increases that may be carried out immediately or in the future under this delegation. To this ceiling may be added, where applicable, the nominal amount of additional shares to be issued in order to preserve, in accordance with the law and applicable contractual provisions, the rights of holders of securities giving access to Company's shares;
- the nominal amount of bonds and other debt securities giving access to the share capital that may be issued under this delegation may not exceed an amount of forty-five million (45,000,000) euros or its equivalent in foreign currency on the date of issue, it being specified that the total nominal amount of bonds or other debt securities issued or authorized by the Board of Directors on the basis of the 16th to 21st Resolutions of this Shareholders' Meeting will reduce, by the same amount, the maximum nominal amount of capital increases that may be carried out immediately or in the future under this delegation;

Resolves to cancel, without specifying the beneficiaries, the shareholders' preferential subscription rights to shares, other securities and all debt securities that may be issued pursuant to this resolution, while nevertheless leaving the Board of Directors the option to institute for the benefit of the shareholders, on all or part of the issues, a priority right to subscribe to them during the specified period and under the terms that it will set in accordance with the provisions of Article L. 22-10-51 of the French Commercial Code, with this priority not giving rise to the creation of transferable rights, but may be exercised on both a pro rata entitlement and reducible basis,

Takes note and resolves, as necessary, that this delegation of authority automatically entails for the benefit of the holders of securities giving immediate or future access to the Company's share capital express waiver by the shareholders of their preferential subscription rights to the shares to which these

securities give entitlement, in accordance with the provisions of Article L. 225-132 of the French Commercial Code,

Resolves that this delegation of authority is granted to the Board of Directors for a period of **twenty-six (26)** months from this Meeting, i.e., until **August 21, 2025**, date on which it will be considered void if the Board of Directors has not made use of it,

Resolves that:

- for capital increases, the issue price of the new shares will be set by the Board of Directors, in accordance with the provisions of Articles L. 225-136 1° and R. 225-114 of the French Commercial Code and must be at least equal to the volume-weighted average of the last five trading sessions preceding its setting, reduced, where applicable, by a maximum discount of 10%, after correcting this average in the event of a difference in the vesting dates,
- for securities giving access to the share capital, the issue price will be set by the Board of Directors in such a way that the sums received immediately by the Company at the time of the issue of the securities in question, increased by any sums liable to be received subsequently by the Company for each share attached to and/or underlying the securities issued, are at least equal to the minimum price provided for above;
- the conversion, redemption and transformation into shares of each security giving access to the share capital will give rise, taking into account the nominal value of said security, to a number of shares such as the amount received by the Company, for each share, will be at least equal to the minimum price referred to above.

Resolves that the new shares issued under the capital increases will be identical to the old ordinary shares and subject to all the provisions of the bylaws and the decisions of the Shareholders' Meetings,

Stipulates that the transactions referred to in this resolution formally exclude the offers referred to in paragraph 1 of Article L. 411-2 of the French Monetary and Financial Code,

Stipulates that the Board of Directors may not, without the prior authorization of the Shareholders' Meeting, make use of this delegation as from the filing by a third party of a proposed takeover bid for the Company's shares until the end of the offer period,

Resolves that the Board of Directors shall have full powers to implement this delegation or not, as well as the power to defer it, if applicable, under the legal conditions and within the limits and conditions specified above, in particular in order to:

- decide on the capital increase and determine the securities to be issued and, more generally, to decide on issues under this delegation;
- decide the amount of the capital increase;
- set the issue price as well as the amount of the premium that may be requested upon issue, within the limits set by this resolution;

accompanied by warrants giving the right to the allocation, acquisition or subscription of bonds or other debt securities, or take the form of complex bonds as defined by the stock market authorities; modify, during the life of the securities concerned, the terms and conditions referred to above, in compliance with the applicable formalities;

- determine the method of payment for shares or securities giving access to the share capital to be issued or securities to be issued;
- set, where applicable, the terms and conditions for exercising the rights attached to the shares or securities to be issued and, in particular, to set the date, even retroactive, from which the new shares (i.e., any underlying securities) will carry rights, determine the terms of exercise of the rights, if any, to conversion, exchange, redemption, including by delivery of Company assets such as shares or securities already issued by the Company, as well as all other conditions and procedures for carrying out the capital increase;
- provide for the option of suspending the exercise of the rights attached to these securities in accordance with the legal and regulatory provisions for a maximum period of three (3) months;
- at its sole initiative, charge the costs of the capital increase to the amount of the related premiums and deduct from this amount the sums necessary to increase the legal reserve to one-tenth of the new capital after each capital increase;
- set, and make any adjustments to, in order to take into account the impact of transactions on the Company's share capital, in particular in the event of a change in the par value of the share, a capital increase through the incorporation of reserves, allocation of free shares, stock split or reverse stock split, distribution of reserves or any other assets, amortization of capital or any other transaction affecting shareholders' equity, and set the terms and conditions under which, where applicable, the rights of holders of securities giving access to the share capital will be preserved;
- record the completion of each capital increase and make the corresponding amendments to the bylaws;
- in general, enter into any agreement, in particular to successfully complete the planned issues, take all measures and carry out all formalities necessary for the issuance, listing and financial service of the securities issued under this delegation, as well as the exercise of the rights attached thereto;

The final terms of the transaction will be the subject of an additional report, in accordance with the provisions of Article L. 225-129-5 of the French Commercial Code, which the Board of Directors will draw up when it uses the delegation of authority to be conferred on it by this Meeting. The Statutory Auditor will also prepare a supplementary report at that time.

Resolves that this authorization will supersede the previous delegation with the same purpose (*13th Resolution of the Meeting of June 22, 2022*).
